INTRODUCTION

These standing orders were adopted at the Annual Parish Council meeting 9th May 2018

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. These standing orders are based on NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

Bold type in these standing orders are legal and statutory requirements. Type not in bold is designed to help the council operate effectively but is not a statutory requirement so has been amended to suit the council's needs.
