

Village sign design

Location map - overview

Location 1 – Odell Road

Location

Notes:

- **Nearest house: 43 Odell Road, Harrold MK43 7DH**
- Currently there is no sign at this end of the village
- Borough Council to perform a site survey for underground utilities
- Sign to be placed facing cars arriving from the direction of Little Odell
- Sign should not be placed too close to the edge of the road – to avoid it being struck by passing vehicles

Sign direction

Location 2 – Hall Close

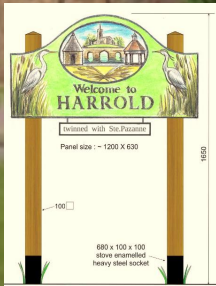

Location

Notes:

- **Nearest house: 1 Hall Close, Harrold, MK43 7DU**
- Currently there is no sign at this end of the village
- Borough Council to perform a site survey for underground utilities
- Sign to be placed facing cars arriving over the bridge from the direction of Carlton
- Sign should not be placed in a position that would obstruct the view for vehicles pulling out of the junction

Sign direction

Location 3 – Village exit towards Lavendon

Location

Notes:

- **Nearest postcode: MK43 7ED**
- Current metal sign to be removed
- To sit forwards of the current metal sign so as not to be too close to the existing metal 30 signs, and be away from the entrance to the field close to the current metal sign

Sign direction
