- The Parish Council contacted BBC to help with the removal of the large amount of waste left after the Christmas Market.
- A small area of grass on The Green grass was damaged by one of the fair rides from the Christmas Market. A bollard was somehow removed from the grass leaving a hole and bollard with concrete on the base standing next to the hole. This will need to be repaired.

16. Correspondence –

- The council received an email from a villager who would like the level crossing on the High St looked at when it rains the amount of water which pools make the crossing unusable.
- The council received an email from a parent whose sons attend Harrold Lower School. The boys leaned against the pillars of the Butter market which had been painted. There was no sign posted to advise people of wet paint. One of the boys' school jumpers and coat have been damaged.
