10. Review public responses to the public consultation over the new yellow lines around the Green and on the High Street

Response and approach to be agreed and then provided to BBC Highways for action/dismissal/modification.

Decision on this was deferred from the June meeting as Cllr Tickle had heard from the new headteacher at HPA (Mrs Brown) that buses might be stopping for the coming school year. This would affect the need for yellow lines opposite the bus stop. The headteacher has been invited to this meeting where we would also like to discuss how best to improve parking around the Green with assistance/input from the school. The council was sympathetic to the responses to the consultation in the June meeting and would like to explore all options.

11. New trees for Harrold as proposed by the Plant & Tree Working Group

To vote on a proposal for new trees created by councillors Lloyd and Duggan.

12. Any other business

13. Correspondence:

- a) Parishioner emailed last month with the following requests, but it missed the agenda: For a 40mph section to precede the 30mph limit signs at the Lavendon end of the village; Double yellow lines for the corner of New Road to alleviate bad parking; Use of the portable speed sign at the Lavendon end of the village; Consideration given to the volume of traffic using the High Street as a route from North Bedfordshire villages through to Milton Keynes and Northampton – requests traffic calming or average speed cameras.

Date of next meeting: Wednesday 14th November 2018
