1. INTRODUCTION

Harrold Parish Council (HPC) aims to ensure a clear, structured and sympathetic approach to the management of memorialisation to parishioners on land that it owns. This also needs to account for the sometimes-contrasting needs of a variety of users.

The policy also seeks to ensure that memorial benches are installed which are instigated by the next of kin or executor and that benches have a common appearance, style and size which are appropriate for that location. The policy will establish responsibility for maintenance, repair and replacement.

Any applications or queries on memorialisation should be made to the Clerk at 07870108315 and/or harroldparishouncil@outlook.com

2. APPLICATION PROCESS FOR MEMORIAL BENCHES

In the first instance, the applicant should read this policy and then contact the clerk for an application form. The applicant will be asked, at a minimum, to confirm the following:

- That the applicant is the next of kin or executor for the person being memorialised
- Name contact details of applicant and name of person being memorialised
- Confirmation that person being memorialised was a resident of Harrold, or otherwise
- The full plaque inscription
- Preferred style of bench, and colour
- Preferred bench location and position, and any alternative locations
- Confirmation of commitment to onward maintenance of the bench (see Conditions)
- Name of contractor chosen to install the bench
- Acceptance of all Conditions

The clerk will present the application to HPC at the next council meeting for consideration of approval. HPC councillors may have further questions of the applicant before approval can be given; best attempts will be made not to prolong the decision-making process.
